

## Santa's Solar Sleigh Brings Gifts!

Every time in the holidays, it's always nice to get a little bit of a surprise. Now, Santa is bringing news of **new pricing for SurePoint subscriptions for 2019!** **See the SurePoint Brochure.** Contact us for details!

All SurePoint subscriptions now include Premium WeatherTrak, SnoCam, and PowerCheck features! No more additional monthly fees with these add-ons when you get SurePoint.

SurePoint Analyzer tools enable you to protect your solar asset and investment. Be notified right when there is a problem, and be able to diagnose the problem remotely!

For customers who are still on the old pricing model, talk to us about a credit for next year.

Sometimes, Christmas does come early!
